

PRODUCT CATALOG

At American Formula, we believe that quality service should go hand-in-hand with quality products. It is for this reason that we do not simply manufacture cleaning chemicals; we provide complete cleaning solutions. At American Formula our “Quality Customer Service” entails providing efficient, quick and friendly service, combined with building strong relationships in our customer base, handling requests quickly and responding to customers' issues on time. Quality customer service is the best way to keep AMF customers coming back, thus ensuring long-term success in their cleaning programs with sustainable results.

The full line of cleaning agents developed by AMF provides effective, economical cleaning solutions for virtually every task, from day-to-day cleaning to the most challenging soils and stains. American Formula listens and responds to our customers, developing new products and solutions while also formulating more environmentally responsible and user-friendly products, just in time, with the quick turn-around and flexibility you require.

Whatever your industry, whatever your cleaning needs, American Formula is dedicated to helping you provide a safer, cleaner and healthier atmosphere.

HARD FLOOR CARE

FLOOR FINISH & SEALS

Shining Star

Shining Star is a high solids finish that combines superior quality ingredients to produce a scuff resistant, durable finish with an outstanding rich gloss. In addition, this floor finish exhibits superb leveling and black heel mark resistance to further extend the life of the finish. This product is recommended on all resilient floors. It dries to a high gloss which requires no initial buffing.

pH : 8.5-9.5

Dilution: RTU

Appearance: White

Odor: Ammonia

Package Size: 4x1, 5, 35, 55

CLASSIFIED

Shining Armor

Shining Armor is a metal interlocked polyacrylic finish, which gives outstanding durability, excellent gloss, good buffing response, and ease of removal. Zinc cross-linking makes it possible to remove finishes easily by allowing a point of attack for a waxstripper.

pH : 8.5-9.5

Dilution: RTU

Appearance: White

Odor: Ammonia

Package Size: 4x1, 2x2.5, 5, 35, 55

CLASSIFIED

Top Gun

Top Gun is a moderate solids metal interlocked, polyacrylic finish that gives outstanding buffing response, and good durability at a lower cost. For use where a high maintenance program is in place.

pH : 8.5-9.5

Dilution: RTU

Appearance: White

Odor: Ammonia

Package Size: 4x1, 5, 35, 55

CLASSIFIED

1st Class

1st Class is a blend of polyacrylates and top quality polyurethane resin specifically formulated for superior durability under heavy traffic conditions. It produces a showroom shine which far outlasts conventional floor waxes and finishes. Its exceptional resistance to soaps, detergents, water, black heel marks, scuffing and scratching greatly reduce maintenance costs. Its quick and easy removability reduces costly stripping operations, often associated with urethane fortified finish.

pH : 8.5-9.5

Dilution: RTU

Appearance: White

Odor: Ammonia

Package Size: 4x1, 2x2.5, 5, 35, 55

Black Armor

Black Armor is a metal interlocked polyacrylic finish with a pre-dispersed pigment that produces an outstanding glossy black finish with excellent durability, excellent gloss, outstanding buffing response and ease of removal.

pH : 8.5-9.5

Dilution: RTU

Appearance: Black

Odor: Ammonia

Package Size: 5, 35, 55

Galaxy

Galaxy is an economical metal interlock polymer floor finish which is designed to retain its glossy film under even the most severe traffic and maintenance conditions. The high gloss, colorless film of this product is very durable, resists scuffing and black heel marks.

pH : 8.5-9.5

Dilution: RTU

Appearance: White

Odor: Ammonia

Package Size: 4x1, 5, 35, 55

Prime Time

A metal interlocked polyacrylic base coat and seal. Prime Time creates an impenetrable base platform to support the finish. Revitalizes worn floors restoring the original color by sealing pores and leveling the surface. For use on resilient tile, terrazzo and concrete.

pH : 8.5-9.5

Dilution: RTU

Appearance: White

Odor: Ammonia

Package Size: 4x1, 5, 35, 55

Con Coat

Con Coat is an acrylic polymer seal conceived and developed for use on concrete flooring. A high solids formulation, just one coat of Con Coat provides the gloss normally only achieved with two or three coats of ordinary non-resilient seals. Con Coat is non-yellowing and will not discolor flooring surfaces.

pH : 8.5-9.5

Dilution: RTU

Appearance: White

Odor: Ammonia

Package Size: 5, 35, 55

MAINTAINERS

Face Lift

Face Lift is a labor saving restorer and cleaner in one product. It never dulls the floor so burnishing frequency may be reduced. Finally a "goof proof" restorer that revitalizes the finish yet never locks in dirt, never discolors the floor, and never dulls the finish.

pH : 6.5-7.5

Dilution: 1 oz per gallon or greater

Appearance: Colorless

Odor: Lemon

Package Size: 4x1, 2x2.5, 5, 35, 55

CLASSIFIED

Spit Shine

Spit Shine is a vanilla scented, clear liquid designed for use whenever high speed burnishing is suggested for routine maintenance. Floor pads don't load up as fast and wash out easier due to Spit Shine's unique formulation. Spray buffing with Spit Shine actually lengthens the life of the floor finish by adding moisture to the floor surface as it cures. After spray buffing, the area is left with a fresh, clean scent. Spit Shine may also be used in conventional spray buff applications.

pH : 7.0-8.0

Dilution: RTU

Appearance:

Colorless

Odor: Vanilla

Package Size:

12x22 oz

Shinola

Shinola buffing compound is a unique blend of solvents and polymers designed to give outstanding gloss while simultaneously achieving easy removal of scuffs, scratches and black heel marks. Shinola is ideal as a daily maintainer or as a quick remedy to give your floors that just refinished wet look. The unique solvent speeds the removal of scuffs and heel marks shortening maintenance time over conventional spray buffs.

pH : 8.0-9.0

Dilution: RTU

Appearance: White

Odor: Mild Solvent

Package Size: 12x22 oz

Dust Magnet

A non-emulsifiable dust mop and dust cloth treatment suitable for wood, asphalt, linoleum, vinyl, vinyl composition, rubber, terrazzo, concrete and gymnasium floors. Dust Magnet will not harm waxed or finished floors when used as directed. Continued use gives a brighter, cleaner surface, even on unwaxed floors.

pH : N/A

Dilution: RTU

Appearance: Colorless

Odor: Solvent

Package Size: 4x1, 5,

55

STRIPPERS

Crocodile

Crocodile is an ultra concentrated "tough job stripper", our best stripper, period! Quickly penetrates built-up, aged finish and multiple coats. Low foaming. For use on vinyl, vinyl composition, vinyl asbestos, asphalt and concrete. Strips hard-to-strip floors without the use of hot water. Works with any stripping program. Machine strip, automatic strip, surface strip or no machine scrub.

pH : >13.0

Dilution: 1 to 7 or greater

Appearance: Amber

Odor: Ammonia

Package Size: 4x1, 2x2.5, 5, 35, 55

Expedite

Expedite is a rinse free wax and finish remover that saves time and money when compared to ordinary strippers. This aggressive rinse free stripper may be used with or without the aid of a scrubbing machine. It quickly penetrates built up, aged finish and multiple coats. The appealing fragrance is pleasant to work with due to the absence of ammonia vapors. For use on vinyl, vinyl composition, vinyl asbestos, asphalt and concrete. Strips hard to strip floors without the use of hot water.

pH : 11.5-12.5

Dilution: 1 to 10 or greater

Appearance: Light Yellow

Odor: Sassafras

Package Size: 4x1, 5, 35, 55

Heavy Duty Wax Stripper

By quickly emulsifying the old finish Heavy Duty Wax Stripper removes multiple layers of finish with or without the need of scrubbing machines. The reinforced blend of penetrants, emulsifiers and wetting agents can save you up to 30% labor time over common strippers on the market. A pleasant fragrance makes Heavy Duty Wax Stripper a pleasure to work with. Low foaming. For use on vinyl, vinyl composition, vinyl asbestos, asphalt and concrete. Strips hard-to-strip floors without the use of hot water. Works with any stripping program - Machine strip, automatic strip, surface strip or no machine scrub.

pH : 12.5-13.5

Dilution: 1 to 4 or greater

Appearance: Green

Odor: Butyl

Package Size: 4x1, 5, 35, 55

Stripper Booster

Stripper Booster is a 100 % active solvent stripper enhancer designed to be added to stripping solutions to remove the toughest wax buildup you will encounter. Standard industrial strippers contain 5-15% solvents with some detergents and alkaline builders. The rest (75-85%) is water. This formulation contains no water at all, and will enable you to strip virtually any water based finish or seal.

pH : N/A

Dilution: 16 to 22 oz per 5 gallons of diluted stripper

Appearance: Colorless

Odor: Butyl

Package Size: 12x22 oz, 4x1

GENERAL PURPOSE CLEANERS

Vanquish

This product represents the latest advantages in pH neutral floor cleaner technology. It quickly and effortlessly emulsifies grease, removes dirt and other surface soils prevalent in heavy traffic areas. Vanquish is quick drying and leaves no residue or haze to dull the original luster of high gloss finishes. Floor appearance is actually enhanced and the life of the finish substantially extended. With its no rinse formula, Vanquish completely eliminates the time and labor normally required for rinsing.

pH : 7.0-8.0

Dilution: 1 to 4 oz per gallon

Appearance: Red

Odor: Floral

Package Size: 4x1, 2x2.5, 5, 35, 55

Camelot

Camelot is a non-butyl, alkaline top scrub designed for scrub and recoat operations. Camelot will remove just the top layer of finish along with any embedded dirt, scuffs or heel marks leaving the surface ready for re-coating. Camelot is also an excellent general purpose cleaner degreaser that will also deodorize and leave a clean fresh scent. Excellent for bathrooms and kitchens!

pH : 10.5-11.5

Dilution: 1 to 4 oz per gallon

Appearance: Yellow

Odor: Sassafras

Package Size: 4x1, 5, 35, 55

Lemon All

Lemon All is a phosphate free neutral pH disinfectant cleaner designed for hospitals, schools, food processing plants and light industrial applications where housekeeping is of prime importance in controlling the hazard of cross contamination. When used as directed Lemon All is formulated to disinfect inanimate hard surfaces (such as walls, floors, sink tops, toilet bowls, tables, chairs and telephones). In addition, Lemon All deodorizes those areas which generally are hard to keep smelling fresh, such as garbage storage areas, empty garbage cans and bins, restrooms and other areas which are prone to odors caused by microorganisms.

pH : 6.0-8.0

Dilution: 2 oz per gallon

Appearance: Yellow

Odor: Lemon

Package Size: 4x1, 2x2.5, 5, 35, 55

CARPET CARE

TRAFFIC LANE / PRE-SPRAYS

Freedom Traffic Lane

Great for those heavily soiled traffic lanes. Loosens soils quickly and rinses out easily. Excellent for commercial carpets and olefin carpets. Cost effective.

pH : 11.0-12.0

Dilution: 12 oz to 1 gallon

Appearance: Colorless

Odor: Mint

Package size: 4x1, 5, 35, 55

Conquer Pre-Spray

Enzyme based for those tough protein soils. Excellent for food service areas, lunchrooms, restaurants and dining halls. Conquer will breakdown most soils and rinses freely from carpets. A combination of enzymes and co-solvents makes this a superior pre-spray.

pH: 11.5-12.5

Dilution: 10 oz to 1 gallon

Appearance: Colorless

Odor: Mint

Package size: 4x1, 5

Power Zyme

Enzyme fortified powdered pre-spray. Tackles the tough protein and greasy soils. Most powerful pre-spray available. Excellent for food service areas. Rinses freely.

pH: 12.0-13.0

Dilution: 2 to 3 oz to 1 gallon

Appearance: White Powder

Odor: Mild

Package size: 4x6 lbs, 50 lbs

Next Generation

Pre-Spray for 5th generation carpets. A reduced pH, powdered enzyme cleaner designed for both residential carpets and commercial carpets. Breaks down soil fast and rinses freely.

pH: 9.0-10.0

Dilution: 2 to 3 oz to 1 gallon

Appearance: White Powder

Odor: Mild

Package size: 4x6 lbs

EXTRACTION CLEANERS

Pride

Liquid extraction cleaner. Super concentrate. Moderate pH with extra cleaning power. Rinses the carpet clean and leaves carpets soft. Can be used on all carpets at proper dilution, including wool.
pH: 9.0-10.0

Dilution: 2 oz to 5 gallons for portable equipment
1/2 oz to 5 gallons for wool
32 oz to 5 gallons slurry for Truck Mounts

Appearance: Blue
Odor: Floral
Package size: 4x1, 5

Finishing Touch

Neutralizing extraction solution. Rinses out of carpets freely and reduces alkaline build-up. Leaves carpets soft and residue free. Reduces browning and allows carpets to dry faster. Safe on all types of carpets. Can be used as a post spray. Removes ice melt residue from carpets and hard floors.
pH: 3.0-4.0

Dilution: 1 oz to 1 gallon for portables
32 oz to 5 gallons slurry for Truck Mounts
2 oz to 1 gallon for post spray

Appearance: Colorless
Odor: Mint
Package size: 4x1, 5

Powder Keg

Powerful powdered extraction cleaner. Powder Keg is the top choice for the dirtiest carpets. This high power cleaner is also very economical. Designed to cut through the toughest soils. Powder Keg dissolves quickly in hot or cold water.
pH: 11.0-12.0

Dilution: 1 1/2 lbs or 3 cups to 5 gallons slurry for Truck Mounts
2 to 3 oz to 5 gallons for portable equipment

Appearance: Yellow Powder
Odor: Citrus
Package size: 4x6 lbs, 50 lbs

Blue Slurry

Aggressive Truck Mount powder created for top performance. Cleans and rinses freely. Cost effective and leaves fibers soft. Low foaming and dissolves quickly in hot or cold water and has a clean fragrance.
pH: 11.0-12.0

Dilution: 1 1/2 lbs or 3 cups to 5 gallons slurry for Truck Mounts
2 to 3 oz to 5 gallons for portables

Appearance: Blue Powder
Odor: Clean
Package size: 12x1 1/2 lb jars, 4x6 lbs, 50 lbs

SHAMPOOS & CLEANERS

Shampoo Plus

Excellent rotary and dry foam cleaner. Works great in hand held upholstery foaming equipment. Rich foam with superior cleaning. Dries to a fine powder with minimal residue. Safe on most carpet and upholstery. Nice clean fragrance.

pH: 8.0-9.0
Dilution: 4 oz to 1 gallon for rotary shampoo
8 oz to 1 gallon for dry foam shampoo

Appearance: Colorless
Odor: Clean
Package size: 4x1, 5

Bonnet Guard

Dual acting product. Cleans and protects in one step. Excellent interim cleaner that dries fast and provides additional protector to the carpet. The soil retardant helps vacuuming and keeps spots from becoming stains. Spotting is easier too.
pH: 8.5-9.5

Dilution: 10 oz to 1 gallon
Appearance: Colorless
Odor: Mint
Package size: 4x1, 5

Bonnet Right

Great cleaner that dries fast, leaves carpets refreshed. This high production interim cleaning method is quick, easy and cost effective. Pleasant fragrance.

pH: 8.5-9.5
Dilution: 10 oz to 1 gallon
Appearance: Colorless
Odor: Mint
Package size: 4x1, 5

CARPET DEODORIZERS

Odor Out

Three-step odor removal system. Mask with pleasing fragrance, odor counteracting and enzyme action. Odors are removed from the source. Pet odors, foodstuff, milk, urine, mildew are only a few of the 100's of malodors that Odor Out will remove. One of the most effective methods of odor removal. Can be used on upholstery and hard surfaces.
pH: 7.0-8.0

Dilution: Varies
Appearance: Varies by product
Odor: Apple, Cherry, Orange, and Mint
Package size: 4x1

Air Neutralizer

Wipe out malodors at their source. Smoke and musty odors disappear in seconds with just a few sprays. Special ingredients attack the small molecules in the air to strip away odors. Great for smoke filled rooms and can be sprayed on most drapes or bedspreads.

pH: 7.0-8.0
Dilution: RTU
Appearance: Hazy White
Odor: Mint
Package size: 12 Qt

CARPET CARE *(continued)*

SPECIALTY CARPET CARE

Defoamer

Knock down suds and foam with ease. Add Defoamer to the recovery tank to reduce foam and protect your equipment. This will extend the life of your vacuum motors and blowers.

pH: 7.0-8.0

Dilution: RTU

Appearance: White

Odor: Bland

Package size: 4x1

Carpet Protector

Protect your carpet from dry, wet and oil based soils. Delivers maximum protection to each fiber. A protector will extend the life of your carpet and keep them looking newer longer. Spotting, vacuuming and future cleaning is made easier. Covers 200 to 300 square feet per diluted gallon.

pH: 7.0-8.0

Dilution: 32 oz to 1 gallon

Appearance: Milky White

Odor: Bland

Package size: 4x1

Boost It

Oxygen bleach and pH boost. Add to cleaning solutions (pre-spray or extraction) for extra cleaning and brightening power. Safe on most fibers. Cost effective to use. Contains no optical brighteners.

pH: 10.0-11.0

Dilution: 1 to 2 tablespoons to 5 gallons

Appearance: White Powder

Odor: Odorless

Package size: 4x6 lbs

SPOTTERS

Pro-Spotter

Excellent all-purpose spotter. Removes 85% of the spots on an average carpet. Spray and blot. Removes most water based spots and breaks down most oil soils. Great on foodstuff, coffee, soda, tea, and 100's more. Safe pH for most carpets.

pH: 7.5-8.5

Dilution: RTU

Appearance: Colorless

Odor: Bland

Package size: 12 Qt, 4x1

Coffee Break

Super coffee and tea spotter as well as other tannin stains. Spray and walk away, the spot will disappear. New advancements in coffee spot and stain removal makes Coffee Break the professionals' choice.

pH: 4.0-5.0

Dilution: RTU

Appearance: Colorless

Odor: Bland

Package size: 12 Qt

Spotting Kit

Professional Spotting Kit with 10 specialty spotting products and tools for the toughest spots and stains. Designed for ease of use. Kit includes Gum, Tar & Grease Remover, POG, Protein Spotter, Rust Remover, Ink Remover, Red Dye Remover, Tannin Spotter, Oil Breaker, Urine Out and Blood Attacker. Spotters are in 22 oz bottles.

pH: N/A

Dilution: RTU

Appearance: N/A

Odor: N/A

Package size: 1-22 oz each (refills are 12x22 oz each)

Gum, Tar & Grease Remover

This thick cream stays on top of the spot. It will not soak the carpet if used properly. Removes gum and adhesives quickly and rinses out with water. The citrus power cuts through grease, oil, gum, paint and tar with ease. Works on hard surfaces as well.

pH: N/A

Dilution: RTU

Appearance: White Cream

Odor: Orange

Package size: 12x22 oz

POG

Paint, Oil, and Grease Remover is effective on most solvent based spots and stains. Blended to quickly break down dry paint and other tough spots. Apply Gum, Tar, Grease Remover after POG than rinse with water and mild detergent for best results.

pH: N/A

Dilution: RTU

Appearance: Colorless

Odor: Mild Solvent

Package size: 12x22 oz

Protein Spotter

For tough protein spots like milk, blood and egg. Use Protein Spotter to neutralize Rust Remover on carpets. Works fast and rinses freely.

pH: 11.5-12.5

Dilution: RTU

Appearance: Colorless

Odor: Ammonia

Package size: 12x22 oz

Rust Remover

Rust Remover will quickly and effectively remove rust stains left on carpets from various things such as filing cabinets and chair and table legs. It is recommended that the area be neutralized with Protein Spotter and rinsed well with water after using Rust Remover. Also works well on vinyl tile floors.

pH: 1.0-2.0

Dilution: RTU

Appearance: Colorless

Odor: Mild Acid

Package size: 12x22 oz

Ink Remover

Removes solvent based ink and markers. Use small amounts. Avoid the use of water on ink. Works well on shoe polish and nail polish. Once ink has been removed, rinse with water and mild detergent.

pH: N/A
 Dilution: RTU
 Appearance: Colorless
 Odor: Mild Solvent
 Package size: 12x22oz

Red Dye Remover

Heat transfer method. Highly effective red dye removal system. Works on most colors. Use caution when working with wool and other delicate fibers and always pretest. Use medium steam setting, always use moist white towels, apply iron to towel for 20 to 25 seconds. Rinse well when done.

pH: 11.5-12.5
 Dilution: RTU
 Appearance: Colorless
 Odor: Bland
 Package size: 12x22 oz

Urine Out

Designed to remove urine salts and odors. Stops the bleaching action of urine while adding a pleasant fragrance to the area. Cost effective to use. Works on hard surfaces. Remove the odor at the source. You can apply and walk away, there is no need to rinse.

pH: 8.5-9.5
 Dilution: RTU
 Appearance: Milky White
 Odor: Citrus
 Package Size: 12x22oz

Blood Attacker

Enzyme based to break down blood. Always handle blood and any body fluids with care. The use of a disinfectant may be necessary. Disinfect then remove with Blood Attacker. Allow proper dwell time and avoid contact with blood. Dispose of any blood soaked towels properly.

pH: 8.0-9.0
 Dilution: RTU
 Appearance: Colorless
 Odor: Cherry
 Package size: 12x22oz

Oil Breaker

The cleaner's best friend. It is a multi-functional product. Can be used as a spotter, pre-spray or boost for your cleaner. This is an oil oxidizer, it breaks up most soils and rinses freely. Some type of food oil is in most water based spots. Oil Breaker can be added to your cleaning solution to help boost the cleaning power in pre-spray, extraction, bonnet and shampooing.

pH: 8.5-9.5
 Dilution: RTU for spotting, Pre-spray: 12oz to 1 gallon, Boost: 4-6oz per 5 gallon solution tank
 Appearance: Colorless
 Odor: Citrus
 Package size: 12x22oz, 4x1

Tannin Spotter

To correct browning and yellowing on carpet. Great for coffee, tea, soda, urine and many other spots. This aggressive acid will get the job done and help neutralize alkalinity build-up. Works quickly and rinses freely.

pH: 3.0-4.0
 Dilution: RTU for spotting, as post spray 8 to 10 oz to 1 gallon of water
 Appearance: Colorless
 Odor: Mild Acid
 Package size: 12x22oz, 4x1

RESTROOM CARE

Non Acid Bathroom Cleaner

This one-step disinfectant cleaner is effective against a broad spectrum of bacteria. It is virucidal and it will prevent the growth of mold and mildew and their odors. Use of this product will clean, disinfect and deodorize surfaces in toilet areas, underneath sinks, counters, garbage cans and other places bacterial growth can cause malodors. This product serves as an excellent non-acid bowl and urinal cleaner.

pH : 9.0-10.0

Dilution: RTU

Appearance: Blue

Odor: Floral

Package Size: 12 Qt

Emulsion

Emulsion is a highly aggressive 23% hydrochloric acid emulsion bowl and urinal cleaner. It has been carefully formulated with detergents that give excellent wetting and penetration characteristics. The high acid content of this product gives better performance at an economical price. This emulsion bowl cleaner is only for use on solid porcelain commodes, toilet bowls, urinals and troughs. By fast contact action, it will remove mineral encrustations, scale, rust, organic deposits and stains quickly and economically.

pH : <1.0

Dilution: RTU

Appearance: Pink

Odor: Acid

Package Size: 12 Qt

Hang Time

This unique cleaner has been formulated with penetrants, cleaners and inhibited rust removers in a thick, clinging formula. Its natural thick viscosity allows it to adhere to the sides of the toilet bowl long enough for the proper use of a bowl mop. This product is excellent for removing scale, rust, calcium deposits and other discolorations from bath tubs, wash basins, shower stalls, toilet bowls, urinals and other surfaces.

pH : <1.0

Dilution: RTU

Appearance: Clear

Odor: Cherry

Package Size: 12 Qt

Chameleon

Chameleon is an aggressive acid bowl cleaner that cleans and deodorizes for a microscopic clean. Quickly eliminates rust, lime and uric acid deposits. Formulated with a special pH sensitive dye that changes the color of the liquid from green to blue as it is used.

pH : <1.0

Dilution: RTU

Appearance: Green

Odor: Acid

Package Size: 12 Qt

True Grit

True Grit is a pleasantly scented, mild abrasive cream cleanser that cleans and deodorizes in one easy step without the need for harsh acids. It is designed to maintain the best possible appearance of porcelain, ceramic, metal, formica, and fiberglass surfaces. It is great for removing tough stains such as coffee, juice, tea and wine from kitchen countertops.

pH : 8.5-9.5

Dilution: RTU

Appearance: White Creme

Odor: Mint

Package Size: 12 Qt

Bio-Clean

This bio-enzymatic bowl cleaner and digester is used to help digest and degrade waste in the entire sewer system. The selection of specialized bacterial strains and chemical cleaners are specifically designed to make your toilets sparkle like never before. In addition to being a bowl cleaner, daily use down urinal, shower, sink, and bathtub drains will assist you in keeping pipes clear and free from grease, fats, and other solid materials. When used as a drain maintainer, the need for hazardous chemicals such as acid, caustic, and bleach is reduced.

pH : 8.5-9.5

Dilution: RTU

Appearance: White

Odor: Citrus

Package Size: 12 Qt

DISINFECTANTS

Lemon All

Lemon All is a phosphate free, neutral pH disinfectant cleaner designed for hospitals, schools, food processing plants and light industrial applications where housekeeping is of prime importance in controlling the hazard of cross contamination. When used as directed Lemon All is formulated to disinfect inanimate hard surfaces (such as walls, floors, sink tops, toilet bowls, tables, chairs and telephones). In addition, Lemon All deodorizes those areas which generally are hard to keep smelling fresh, such as garbage storage areas, empty garbage cans and bins, restrooms and other areas which are prone to odors caused by microorganisms. EPA Registered.

pH : 6.0-8.0

Dilution: 2 oz per gallon

Appearance: Yellow

Odor: Lemon

Package Size: 4x1, 2x2.5, 5, 35, 55

Lemon All SC

Lemon All SC is a phosphate free, neutral pH germicidal cleaner designed for schools, food processing plants, and light industrial and hospital applications where housekeeping is of prime importance in controlling the hazard of cross contamination. When used as directed Lemon All SC is formulated to disinfect inanimate hard surfaces (such as walls, floors, sink tops, toilet bowls, tables, chairs and telephones). In addition, Lemon All SC deodorizes those areas which generally are hard to keep fresh smelling, such as garbage storage areas, empty garbage bins and cans, toilet bowls, and other areas which are prone to odors caused by microorganisms. EPA Registered.

pH : 6.5-7.5

Dilution: 1/2 oz per gallon

Appearance: Yellow

Odor: Lemon

Package Size: 4 x 1/2 gal, *4x1, 5, 35, 55

Viraseptic

Viraseptic is a dye, perfume and phosphate free formulation designed to provide effective cleaning, deodorizing, sanitization and disinfection specifically for hospitals, nursing homes, schools, food processing plants, food service establishments and other institutions where housekeeping is of prime importance in controlling the hazard of cross contamination. Viraseptic, when used as directed is formulated to disinfect inanimate hard surfaces such as walls, floors, sink tops, toilet bowls, tables, chairs, telephones, and bed frames. In addition Viraseptic sanitizes previously cleaned and rinsed non-porous food contact surfaces such as tanks, chopping blocks, counter tops, drinking glasses and eating utensils, and does not require a rinse. EPA Registered.

pH : 11.5-12.5

Dilution: 2 oz per gallon

Appearance: Colorless

Odor: Odorless

Package Size: 4x1, 5, 35, 55

Non Acid Bathroom Cleaner

This one-step disinfectant cleaner is effective against a broad spectrum of bacteria. It is virucidal and it will prevent the growth of mold and mildew and their odors. Use of this product will clean, disinfect and deodorize surfaces in toilet areas, underneath sinks, counters, garbage cans and other places bacterial growth can cause malodors. This product serves as an excellent non-acid bowl and urinal cleaner. EPA Registered.

pH : 9.0-10.0

Dilution: RTU

Appearance: Blue

Odor: Floral

Package Size: 12Qt

GLASS CLEANERS

Kleen Glass

Kleen Glass is a ready-to-use, non-ammoniated glass cleaner that quickly and easily cleans glass, windows, mirrors, plastic, counter tops, showcases, Plexiglas, stainless, porcelain and ceramic surfaces. It also polishes as it dissolves and removes the dirt and dingy film.

pH : 11.5-12.5

Dilution: RTU

Appearance: Blue

Odor: Alcohol

Package Size: 12 Qt, 4x1

Showtime

A highly concentrated 20 to 1 ammoniated glass cleaner that quickly and easily cleans glass, windows, mirrors, counter tops, showcases, stainless, porcelain and ceramic surfaces.

pH : 11.5-12.5

Dilution: 6 oz per gallon

Appearance: Blue

Odor: Ammonia

Package Size: 4x1, 5, 35, 55

HAND CLEANERS

Pearl

Pearl is a ready to use pearlized hand soap made with lanolin, glycerol and emollients, which leaves your hands clean, soft and freshly scented. Use of this product will aid in reducing the danger of cross infection in schools, hospitals and institutions. It will also help prevent chapping of the hands. Pearl's controlled viscosity also helps to prevent dispenser stoppages.

pH : 6.0-8.0

Dilution: RTU

Appearance: White Pearl

Odor: Pina Colada

Package Size: 4x1

Tahiti

Tahiti is a specially formulated mild, pink lotion hand soap that removes the soil but leaves the hands conditioned and pleasantly fresh.

pH : 6.0-8.0

Dilution: RTU

Appearance: Pink

Odor: Cherry Almond

Package Size: 4x1

HAND CLEANERS *(continued)*

15% Coconut Oil Hand Soap

15% Coconut Oil Hand Soap is a ready to use hand soap made from pure coconut oil, glycerol and emollients, which leaves your hands clean, soft and freshly scented.

pH : 9.0-10.0

Dilution: RTU

Appearance: Yellow

Odor: Lemon

Package Size: 4x1

Rebel

Rebel is a concentrated liquid skin cleaner that is effective on the toughest grease yet gentle to the skin. This product is a favorite of mechanics and maintenance personnel and anyone who wants to clean grease and oil off their hands and leave their skin smooth and soft.

pH : 9.0-10.0

Dilution: RTU

Appearance: Amber

Odor: Clean

Package Size: 4x1

GROUT CLEANERS

Grout Prep

Powerful, concentrated grout cleaner for restrooms, kitchens and any stone or ceramic floor where grout cleaning is a problem. Grout Prep is an alkaline cleaning material that will clean the dirtiest grout. The first step of a three part system, Grout Prep, Grout Renovator and Grout Guard.

pH : 12.5-13.5

Dilution: 25 oz per gallon

Appearance: Green

Odor: Floral

Package Size: 4x1

Grout Renovator

The second step in a complete grout cleaning system. Use after cleaning with Grout Prep. Grout Renovator is a concentrated, highly active formulation of synergistic acids that brighten and restore light colored grout to a "like new" appearance.

pH : <1.0

Dilution: 25 oz per gallon

Appearance: Colorless

Odor: Wintergreen

Package Size: 4x1

Grout Guard

Third step in a complete grout cleaning system. This water based silicone, seals and protects grout from dirt, mildew penetration and odors without altering the appearance of the grout; making cleaning easier and faster in the future. Grout Guard will not leave the floor slippery. Use after cleaning with Grout Prep and Grout Renovator.

pH : 12.0-13.0

Dilution: RTU

Appearance: Colorless

Odor: Bland

Package Size: 4x1

DEODORANTS

24 Oz. Deodorant Blocks

A solid deodorant to help control offensive odor. This product comes with a convenient hang-up box. This product is available in 24 oz size. Remove the cellophane wrap, hang the block up and it will slowly release a pleasant aroma to cover up the worst smells in restrooms, garbage chutes and dumpsters.

pH : N/A

Dilution: RTU

Appearance: White Block

Odor: Cherry

Package Size: 12x24 oz

Fresh Air

Eliminate the most undesirable odors with Fresh Air concentrated liquid deodorant. This energized deodorant is economical and easy to use. One simple spray into the air will eliminate the malodor, leaving in its place a refreshing clean aroma. This product works well in eliminating odors from smoke, spoiled food, vomit, mold, mildew, and urine. It can also be used as an additive to mop water or to carpet cleaning solutions.

pH : 7.0-9.0

Dilution: Varies

Appearance: Colorless

Odor: Floral

Package Size: 12 Qt, 5, 35, 55

Herbal Deodorant

This odor eliminator removes odors chemically. It is non-staining, non-irritating and non-flammable. Use to contain odors from animals, molds, mildew, smoke, portable toilets, locker rooms and many more.

pH : 8.5-9.5

Dilution: 4-12 oz per gallon

Appearance: Green

Odor: Herbal

Package Size: 5, 35, 55

Spice Deodorant

This odor eliminator removes odors chemically. It is non-staining, non-irritating and non-flammable. Use to contain odors from animals, molds, mildew, smoke, portable toilets, locker rooms and many more.

pH : 8.5-9.5

Dilution: 4-12 oz per gallon

Appearance: Red

Odor: Spice

Package Size: 5, 35, 55

Orange Deodorant

Orange Deodorant is a water dilutable odor counteractant that can be effectively used as a space or surface spray. Excellent for use in wastewater treatment facilities, garbage trucks, dumpsters and garbage chutes.

pH : 11.5-12.5

Dilution: 10 oz per gallon

Appearance: Orange

Odor: Orange

Package Size: 5, 35, 55

Peach Deodorant

Peach Deodorant is a select proprietary blend of aromatics and imported essential oils which combine to form a glycol based deodorant that can be either sprayed or fogged into the air. This product effectively controls malodors of varying types which arise in hospitality and institutional setting, leaving a pleasant peach fragrance.

pH : 9.0-10.0

Dilution: RTU

Appearance: Colorless

Odor: Peach

Package Size: 12 Qt, 5, 35, 55

Spring Breeze

Eliminate the most undesirable odors with Spring Breeze concentrated liquid deodorant. This energized deodorant is economical and easy to use. One simple spray into the air will eliminate the malodor, leaving in its place a refreshing clean aroma. This product works well in eliminating odors from smoke, spoiled food, vomit, mold, mildew, and urine. It can also be used as an additive to mop water and carpet cleaning solutions.

pH : 7.0-9.0

Dilution: RTU

Appearance: Colorless

Odor: Floral

Package Size: *12 Qt, 5, 35, 55

Mint Deodorant

Mint Deodorant works great for eliminating odors on most fabrics by encapsulating the odor molecule and neutralizing it. Spray evenly on fabric until slightly damp. Odor dissolves as fabric dries. Use for odors caused by pets, food, smoke, and musty smells.

pH : 6.0-8.0

Dilution: RTU

Appearance:

Colorless

Odor: Mint

12 Qt, 5, 35, 55

DEGREASERS

Clean All

Choose the right solution for your toughest cleaning jobs. Clean All is a concentrated water based butyl cleaner/degreaser with a refined surfactant system that not only penetrates and lifts the grease and dirt from the surface, but emulsifies them as well. The multi-purpose, heavy duty cleaning action leaves surfaces clean and free of residue. This product is also ideal for use in automatic scrubbers because of its low-foaming ability.

pH : 12.0-13.0

Dilution: 5 oz per gallon

Appearance: Yellow

Odor: Lemon

Package Size: 4x1, 5, 35, 55

Fast Ball

The solution to your toughest cleaning problems — Fast Ball. This environmentally friendly water based product is fortified with special surfactants to cut grease and grime quickly. In addition, Fast Ball will deodorize in one easy step leaving a fresh, clean, mint aroma.

pH : 11.0-12.0

Dilution: RTU

Appearance: Green

Odor: Mint

Package Size: 12 Qt

DEGREASERS (continued)

Formula 5700

Formula 5700 is a concentrated low-suds degreaser designed specifically for use with automatic floor scrubbing equipment. Formula 5700's low initial suds and low suds retention allow full utilization of recovery tank capacity without damage to equipment. Formula 5700 is fast acting, containing a unique surfactant blend to provide safe wetting and rapid penetration for quick removal of the toughest soil and grime. Formula 5700 is non-flammable, non-corrosive and contains no solvents or abrasives.

pH : 12.5-13.5

Dilution: Up to 1 oz per gallon

Appearance: Purple

Odor: Bland

Package Size: 4x1, 2x2.5, 5, 35, 55

Power Plus

Formulated with the most powerful degreasing agents in power spray and wipe cleaners. Power Plus is a non-butyl cleaner and degreaser that is particularly effective in food processing areas. Works by emulsifying and suspending greases, oils, soils, and other matter.

pH : 10.0-11.0

Dilution: RTU

Appearance: Light Purple

Odor: Bland

Package Size: 12 Qt

Lightning

Lightning is an aggressive, economical, butyl cleaner/degreaser for use on heavily soiled surfaces. Formulated for quick completion of the toughest cleaning jobs you may encounter. It removes grease and heavy soil from stoves and counter tops, garbage dumpsters, deep fat fryers, tile, rubber, vinyl and terrazzo floors, kitchen appliances, oven hoods, and air conditioning units. It also removes black heel marks, baked on carbon, mold and mildew stains. Spray or mop on, agitate, then rinse off.

pH : 12.0-13.0

Dilution: 20 oz per gallon

Appearance: Blue

Odor: Butyl

Package Size: *4x1, 5, 35, 55

Thunderbolt

Thunderbolt is a liquid compound specifically formulated for specialized heavy-duty cleaning requirements. The formulation includes emulsifiers and solvents in highly concentrated form and is compounded so that high alkalinity is maintained in spite of dilution. Thunderbolt is an excellent concrete cleaner and may also be used to clean air filters, exhaust hoods, conveyers, boiler rooms, and road equipment. Thunderbolt may also be utilized in dip tanks for any metal cleaning process other than aluminum.

pH : >13.0

Dilution: 5 oz per gallon

Package Size: 4x1, 5, 35, 55

Appearance: Red

Odor: Butyl

Lo-Sudz

A surfactant-strengthened concentrate specially designed to be low foaming for use in automatic scrubbing machines. This powerful low sudsing cleaner will not clog scrubbing machines. It leaves no film and requires no rinsing.

pH : 11.0-12.0

Dilution: 3 oz per gallon

Appearance: Blue-Green

Odor: Clean

Package Size: *4x1, 5, 35, 55

Magnum

This butoxyethanol-free product is the industrial cleaner of the future. Magnum is specifically formulated to rapidly emulsify and hold heavy oil and grease accumulations commonly found in industry. Magnum contains an odor-killing component that removes and destroys odors inherent to industrial processing and maintenance. Common uses for Magnum include conveyor systems, drill presses, lathes, metal working machines, forklifts, air conditioning filters, office machines and printing presses.

pH : 12.5-13.5

Dilution: 5 oz per gallon

Appearance: Green

Odor: Bland

Package Size: 4x1, 5, 35, 55

Orange Clean

This ready-to-use hard surface cleaner is a special blend containing natural terpenes and surfactants that remove the most stubborn soils, leaving in their place a clean, fresh citrus scent. You get strong cleaning action and a pleasant aroma with a product containing 100% biodegradable detergents and no soaps. This product is appealing to the most environmentally conscious. Use this non-corrosive cleaner/degreaser to remove soils such as grease, dirt, ink, carbon, oil, and lipstick from hard surfaces not harmed by water.

pH : 11.0-12.0

Dilution: RTU

Appearance: Yellow

Odor: Citrus

Package Size: 12 Qt

Purple Power

Purple Power is a concentrated water-based butyl cleaner/degreaser. It is environmentally pleasing due to its biodegradable surfactant system. It has the ability to penetrate, absorb, emulsify and lift away most soils found in industrial and institutional locations. Because of its low foaming properties it may be used in automatic scrubbers. Use this product to remove soils such as grease, ink, oil, dirt and carbon. It will also remove stains caused by mold and mildew.

pH : 12.5-13.5

Dilution: 10 oz per gallon

Appearance: Purple

Odor: Butyl

Package Size: 4x1, 5, 35, 55

Super Blue

Super Blue is a highly concentrated, multi-purpose, industrial strength, butyl cleaner and degreaser. The surfactant system of this product is biodegradable to enhance environmental friendliness. It will pay for itself in its virtually unlimited applications by replacing many common cleaners with one truly multi-purpose cleaner. It will penetrate to remove grease, dirt, ink and oil from most hard surfaces.

pH : 12.5-13.5

Dilution: 5 oz per gallon

Appearance: Blue

Odor: Butyl

Package Size: *4x1, 5, 35, 55

Super Cleaner

This powerful, phosphate free, general purpose degreaser is mild enough for floor maintenance while being effective enough to remove grease, oil, carbon, crayon, lipstick, or ink from any surface not harmed by water. Super Cleaner is free rinsing and may be applied by mopping, spraying, or wiping.

pH : 12.5-13.5

Dilution: 5 oz per gallon

Appearance: Blue

Odor: Butyl

Package Size: *4x1, 5, 35, 55

Steam Cleaner Liquid

This concentrate is a product specifically formulated and manufactured to cope with problems encountered in various steam cleaning operations. It is not just another multi-purpose cleaner sold with the hope it can handle the job at hand. As little as four ounces concentrate per gallon of water makes a cleaning solution that will penetrate and remove all types of grease and grime normally encountered in steam cleaning applications. Low foaming penetrants and boosters quickly cut dirt and emulsifiers retain and float away residue. Unlike hard to dissolve powdered cleaners that must be pre-mixed, this product will not clog jets or lines.

pH : >13.0

Dilution: 4 oz per gallon

Appearance: Blue

Odor: Bland

Package Size: 5, 35, 55

Green Float

Green Float consists of a blend of petroleum solvents and orange terpenes. It is a floating combination of solvents used primarily to dissolve grease and scum that accumulates in grease traps, pumping stations, wet wells, and sewer lines. Green Float can also be used for removal of many printing inks, rosins, ester gums, alkyd resins, tar and asphalt.

pH : N/A

Dilution: RTU

Appearance: Green

Odor: Orange

Package Size: 5, 35, 55

Orange Float

Orange Float is a 100% pure orange solvent which will replace the petroleum distillates being used by many sewage treatment facilities. This product is designed to float on the surface and dissolve grease and other organic matter found in lift stations, wet wells and sewage lines. Also used to dissolve grease accumulation in grease traps. This product contains no petroleum distillates and no emulsifiers. This material has a natural fragrance which makes it a useful odor counteractant, in addition to being a pleasant solvent to use.

pH : N/A

Dilution: RTU

Appearance: Colorless

Odor: Orange

Package Size: 5, 35, 55

Orange Plus

Orange Plus is a natural orange oil and petroleum solvent blend which offers the superior degreasing and deodorizing properties of 100% d'limonene, but at a substantial cost savings. Orange Plus is great for a variety of uses including gum removal, tar and asphalt removal, and heavy grease removal.

pH : N/A

Dilution: Varies

Appearance: Orange

Odor: Orange

Package Size: 5, 35, 55

Somethin' Wonderful

Somethin' Wonderful is an orange oil cleaner combined with a sophisticated surfactant system that is designed to be an excellent solvent for tar, grease, mastic, ink or any stain or smudge that cannot be removed by water based cleaners. Somethin' Wonderful makes an excellent general-purpose cleaner deodorizer when diluted with water. The great orange scent makes it much more pleasant to work with than solvents like 111 trichloroethane, ketones, xylene, or mineral spirits.

pH : N/A

Dilution: Varies

5, 35, 55

BACTERIA BASED PRODUCTS

Aqua Packs

Aqua Packs are a dry granular powder containing enzymes and facultative spore-forming bacteria, packaged in a convenient, easy to use water soluble bag. Simply toss the 1 pound bag in grease traps, lagoons, septic tanks, or lift stations, and the package dissolves, releasing billions of bacteria and enzymes into the system. This product contains hybrid bacteria cultures that have the ability to liquefy and digest complex animal and vegetable oil and greases, protein, cellulose, starch, and sugar. As a powder, this product can be easily stored in its reusable plastic pail without the fear of activity loss. Its cultured bacteria and enzymes are so specific in their action, and function so rapidly, the waste is quickly broken down, reducing BOD and COD levels, and eliminating odors. Furthermore, this product is certified to be Salmonella free.

pH : N/A

Dilution: RTU

Appearance: Tan Powder

Odor: Earthy

Package Size: 30x1 lb

Bio-Clean

This bio-enzymatic bowl cleaner and digester is used to help digest and degrade waste in the entire sewer system. The selection of specialized bacterial strains and chemical cleaners are specifically designed to make your toilets sparkle like never before. In addition to being a bowl cleaner, daily use down urinal, shower, sink, and bathtub drains will help keep pipes clear and free from grease, fats, and other solid materials. When used as a drain maintainer, the need for hazardous chemicals such as acid, caustic, and bleach is reduced.

pH : 8.0-9.0

Dilution: RTU

Appearance: White

Odor: Citrus

Package Size: 12Qt

Endure

Endure is a microbiological breakthrough that allows the natural ability of bacteria/enzymes to digest and degrade waste, even in the presence of bleach and chlorinated dishwash which inhibit the performance of most products on the market. This outstanding product has the remarkable ability to withstand intermittent high temperatures (up to 180°F) and the high alkalinity of many cleaning products. Endure utilizes the natural ability of unique bacterial strains to degrade the solid waste that accumulates in grease traps and drain lines thereby reducing the need for frequent pumping.

pH : 8.0-9.0

Dilution: RTU

Appearance: White

Odor: Cherry

Package Size: 12 Qt, *4x1, 5, 35, 55

Liquizyme

Liquizyme is a stable, liquid suspension of bacteria capable of digesting complex proteins, starches, fats, cellulose and vegetable gums. Special bacterial strains in this product actually digests laundry detergents which can inhibit the performance of the system. It contains strains of bacteria which degrade fats, oils and grease at an accelerated rate. Liquizyme is ideal for use in septic tanks, waste lagoons and municipal waste systems, as well as eliminating urine odors in restrooms, veterinary clinics and animal shelters.

pH : 8.0-9.0

Dilution: RTU

Appearance: White

Odor: Floral

Package Size: 12 Qt, 5, 35, 55

INDUSTRIAL SPECIALTIES

Asphalt Release

This product is a biodegradable, water soluble, non-flammable concentrate used primarily in the asphalt paving industry for coating the bed of dump trucks to prevent the asphalt from sticking. This product can be diluted up to 30 to 1 with water, and is most effective when applied as a foam. Due to its high concentration and biodegradability this product gives the commercial paver an inexpensive, environmentally friendly alternative to diesel fuel.

pH : 9.0-10.0

Dilution: 4 to 12 oz per gallon

Appearance: Green

Odor: Bland

Package Size: 5, 35, 55

Break Down

A floating grease and scum solvent that is extremely effective in dissolving scum blankets and grease balls in lift stations, sewer lines, and wet wells. In addition it rises and falls with the level of waste and helps to clean the walls of the well. Also acts as a defoamer as well.

pH : N/A

Dilution: RTU

Appearance: Yellow

Odor: Solvent

Package Size: 5, 35, 55

Car Wash Concentrate

This concentrate is manufactured from special synthetic detergents and wetting agents to remove dirt, dust, grime and road film from automotive finishes quickly and economically. It contains no film forming soaps. Will not dull or water-spot, even on chrome surfaces. It is so concentrated that as little as three ounces per gallon of water gives loads of suds that clean thoroughly and rinse freely.

pH : 9.0-10.0

Dilution: 3 oz per gallon

Appearance: Green

Odor: Lemon

Package Size: *4x1, 5, 35, 55

Clean-N-Shine

Clean-N-Shine is a high foaming synergistic blend of detergents and proprietary additives, which

leave a mono-molecular film to give a high luster. Clean-N-Shine helps to repel dust, retard rusting, and is non-streaking.

pH : 8.0-9.0

Dilution: 3 oz per gallon

Appearance: Yellow

Odor: Bland

Package Size: *4x1, 5, 35,

55

Coil Care

Coil Care is a heavy duty, non-corrosive concentrate that has been formulated for the cleaning of air conditioning coils. Coil Care aids in preventing dust, dirt and other types of bacteria-bearing soil from accumulating on the coils for up to 3 months. Its sustained cleaning action provides 24 hour protection which improves efficiency and saves electrical costs.

pH : 9.0-10.0

Dilution: 32 oz per gallon

Appearance: Amber

Odor: Bland

Package Size: *4x1, 5, 35, 55

Concrete Cleaner

Concrete Cleaner is a 100% active, gold colored blend of powdered cleaning agents that will quickly and easily remove dirt, grease and oil stains from all concrete surfaces. Floors may be cleaned by simply sprinkling the powder on the wetted surface, allowing to stand a few minutes, brushing with a broom or deck brush, and flushing clean. A fluorescent opal dye has been added to insure that the application is even. This product can be used in cleaning concrete surfaces in industrial plants, garages, new and used car lots, parking areas, driveways and sidewalks.

pH : N/A

Dilution: RTU

Appearance: Yellow Powder

Odor: Bland

Package Size: 100 lb

Floc-it

This anionic flocculant is an easy-to-use, effective sanitary and storm sewer cleaner. Applied as directed, it will assist in removing deposits that restrict and clog sewer lines. After cleaning, sewer lines will flow faster with less potential for deposit build-up.

pH : 8.0-9.0

Dilution: Varies

Appearance: Blue

Odor: Bland

Package Size: 5, 35, 55

Emsil

Silicone emulsion for multi-purpose mold release and lubricant applications; such as tire recapping, metal and plastic forming. The sub-micron particle size of this emulsion offers stability and performance efficiency. The thin parting films are durable, heat-stable and non-carbonizing. For mold release applications, the emulsion should be sprayed or brushed on mold as needed. In certain light-load applications, it can be diluted with up to 10 parts water. For lubrication applications, spray, brush or dip at full strength.

pH : 8.0-9.0

Dilution: Varies

Appearance: White

Odor: Bland

Package Size: *4x1, 5, 35, 55

Liberator

Liberator's unique formulation stops squeaks, protects metal, loosens rusted parts and frees sticky mechanisms and yet, unlike similar products, does not harm most plastics. Liberator immediately penetrates to free "frozen" or rusted parts while leaving a protective coating to guard against rust and corrosion.

pH : N/A

Dilution: RTU

Appearance: Brown

Odor: Vanilla

Package Size: 12x22oz, 5, 35, 55

Red Hot Sewer Solvent

Red Hot Sewer Solvent is a powerful granular sewer solvent which quickly clears blocked sewers and drain lines. Effective against grease, oil, fibers, sludge, and organic matter.

pH : N/A

Dilution: RTU

Appearance: Blue Powder

Odor: Bland

Package Size: 50 lb

Renew Protectant

Renew's water based protective shield helps maintain a long lasting attractive appearance while guarding against the damage caused by ultraviolet rays, environmental conditions and everyday use. It preserves virtually all plastic, rubber, vinyl, plexiglass, acrylic, leather and wood surfaces. It leaves a protective coating which is less greasy and which lasts longer than the coating provided by other products. This product's penetrating formulation creates a barrier which resists cracking, dulling, hardening and fading, which is common in untreated surfaces.

pH : 8.0-9.0

Dilution: RTU

Appearance: White

Odor: Bland

Package Size: 12x22oz, 5, 35, 55

Tire Mark Remover

Tire Mark Remover is a blend of petroleum solvents which are ideal for quickly and easily removing tire and rubber marks on concrete and wooden floors in industrial and warehouse applications.

pH : N/A

Dilution: RTU

Appearance: Green

Odor: Solvent

Package Size: 5, 35, 55

KITCHEN CARE

Pot & Pan Soap

This liquid dishwashing concentrate is ideal for institutional hand washing where performance is a must and economy is desired. The combination of biodegradable synthetic detergents and wetting agents breaks up the heaviest encrustations on pots and pans, yet is gentle to the hands. Because it contains no soap, this product will not water-spot glassware or leave a film. It forms long-lasting suds without scum in hard water, and rinses freely and cleans thoroughly. Pot & Pan Soap is recommended for use in restaurants, cafeterias, lounges, institutions, hospitals, schools and all other hand dishwashing applications. Its gentle-to-the-hands action and high quality satisfy the most discriminating user.

pH : 9.0-10.0

Dilution: 1 oz per gallon

Appearance: Green

Odor: Lemon

Package Size: 4x1, 5, 3, 55

Grill & Oven Cleaner

Grill & Oven Cleaner is designed to quickly penetrate and remove baked on grease and carbon from ovens and grills. The powerful surfactant system is capable of handling the toughest soils without leaving an oily film or residual build-up. In addition, this product's viscosity allows it to adhere to vertical surfaces. Not for use on aluminum surfaces.

pH : >13.0

Dilution: RTU

Appearance: Yellow

Odor: Bland

PRECISION SYSTEM

Fresh Shower SC

This butoxyethanol-free product is the bathroom cleaner of the future. Fresh Shower SC is specifically formulated to rapidly remove soap scum and hard water stains found in typical bathroom environments. Fresh Shower SC contains an odor counteracting component that removes and destroys odors inherent to restroom areas.

pH : 12.0-13.0

Dilution: 2 oz per gallon

Appearance: Green

Odor: Floral

Package Size: 4 x 1/2 gal

Vanquish SC

This product represents the latest advantages in pH neutral floor cleaner technology. It quickly and effortlessly emulsifies grease, removes dirt and other surface soils prevalent in heavy traffic areas. Vanquish SC is quick drying and leaves no residue or haze to dull the original luster of high gloss finishes. Floor appearance is actually enhanced and the life of the finish substantially extended. Vanquish SC completely eliminates the time and labor normally required for rinsing.

pH : 6.5-7.5

Dilution: 1/2 oz per gallon

Appearance: Red

Odor: Floral

Package Size: 4 x 1/2 gal

Formula 5700 SC

Formula 5700 SC is fast acting, cleaner/degreaser containing a unique nonionic surfactant blend to provide safe wetting and rapid penetration for quick removal of the toughest soil and grime. Formula 5700 SC is non-flammable, non-corrosive and contains no solvents or abrasives.

pH : 12.5-13.5

Dilution: 6 oz per gallon

Appearance: Purple

Odor: Bland

Package Size: 4 x 1/2 gal

Lemon All SC

Lemon All SC is a phosphate free, neutral pH germicidal cleaner designed for schools, food processing plants, and light industrial and hospital applications where housekeeping is of prime importance in controlling the hazard of cross contamination. When used as directed Lemon All SC is formulated to disinfect inanimate hard surfaces (such as walls, floors, sink tops, toilet bowls, tables, chairs and telephones). In addition, Lemon All SC deodorizes those areas which generally are hard to keep fresh smelling, such as garbage storage areas, empty garbage bins and cans, toilet bowls, and other areas which are prone to odors caused by microorganisms. EPA Registered.

pH : 6.5-7.5

Dilution: 1/2 oz per gallon

Appearance: Yellow

Odor: Lemon

Package Size: 4 x 1/2 gal

Kleen Glass SC

Glass cleaner and spray and wipe concentrate that cleans and polishes. This non-ammoniated quick cleaning, film-free concentrate is safe on glass, windows, mirrors, plastic, counter tops, showcases, Plexiglas, stainless, porcelain and ceramic surfaces. It polishes as it dissolves and removes dirt and dingy film.

pH : 11.0-12.0

Dilution: 6 oz per gallon

Appearance: Blue

Odor: Butyl

Package Size: 4 x 1/2 gal

Spring Fresh SC

This odor eliminator removes odors chemically. It is non-staining, non-irritating and non-flammable. Use to control odors from animals, molds, mildew, smoke, portable toilets, locker rooms and many more.

pH : 8.0-9.0

Dilution: 2 oz per gallon

Appearance: Pink

Odor: Floral

Package Size: 4 x 1/2 gal

Vanilla SC

This odor eliminator removes odors chemically. It is non-staining, non-irritating and non-flammable. Use to control odors from animals, molds, mildew, smoke, portable toilets, locker rooms and many more.

pH : 8.0-9.0

Dilution: 2 oz per gallon

Appearance: Pink

Odor: Vanilla

Package Size: 4 x 1/2 gal

Bowl Mate SC

Mild acid bath and bowl cleaner formulated to remove hard water deposits, rust, lime, soap scum, and yellow stains from toilet bowls, urinals and other acid resistant surfaces.

pH : <1.0

Dilution: 6 oz per gallon

Appearance: Light Green

Odor: Bland

Package Size: 4 x 1/2 gal

Face Lift SC

Daily use labor saving restorer and cleaner in one product. Never dulls the floor so burnishing frequency may be reduced. Finally a "goof proof" restorer that revitalizes the finish yet never locks in dirt, never discolors the floor, and never dulls the finish.

pH : 6.5-7.5

Dilution: 1/2 oz per gallon

Appearance: Colorless

Odor: Lemon

Package Size: 4 x 1/2 gal

Pride SC

Liquid extraction cleaner. Super concentrate. Moderate pH with extra cleaning power. Rinses the carpet clean and leaves carpets soft. Can be used on all carpets at proper dilution, including wool.

pH : 12.0-13.0

Dilution: 1/2 oz per gallon

Appearance: Blue

Odor: Floral
