

Grill & Oven Cleaner

Grill & Oven Cleaner is designed to quickly penetrate and remove baked on grease and carbon from ovens and grills. The powerful surfactant system is capable of handling the toughest soils without leaving an oily film or residual build-up. In addition, this product's viscosity allows it to adhere to vertical surfaces.

FEATURES

- *Biodegradeable
- *Cost effective
- *Solvent-Free

APPLICATIONS

- *Grill cleaner
- *Oven cleaner

TECHNICAL DATA

Dilution.....	Ready to use
DOT.....	Corrosive
Odor.....	Bland
pH.....	>13.0
Physical appearance.....	Thick yellow liquid
Pound/gallon.....	8.66
