

Lemon All SC

Lemon All SC is a phosphate free neutral germicidal cleaner designed for schools, food processing, plants, light industrial and hospital applications where housekeeping is of prime importance in controlling the hazard of cross contamination. When used as directed Lemon All is formulated to disinfect inanimate hard surfaces (such as walls, floors, sink tops, toilet bowls, tables, chairs and telephones). In addition, Lemon All SC deodorizes those areas which generally are hard to keep fresh smelling, such as garbage storage areas, empty garbage bins and cans, toilet bowls, and other areas which are prone to odors caused by microorganisms. Lemon All SC is effective against HIV, HBV, HCV, and a host of other bacteria, viruses, and fungi.
