

Magnum

This butoxyethanol-free product is the industrial cleaner of the future. Magnum is specifically formulated to rapidly emulsify and hold heavy oil and grease accumulations commonly found in industry. Magnum contains an odor-killing component that removes and destroys odors inherent to industrial processing and maintenance. Common uses for Magnum include conveyor systems, drill presses, lathes, metal working machines, fork lifts, air conditioning filters, office machines and printing presses.

FEATURES

- *Ready to use
- *Fast acting
- *Acid-Free
- *Biodegradable
- *Non-Corrosive
- *Non-Caustic

APPLICATIONS

- *Autoscrubing
- *Spray and wipe cleaner
- *Degrease vehicles
- *Clean houses
- *Clean brick
- *Clean engines
