

Non Acid

Bathroom Cleaner

This one-step disinfectant cleaner is effective against a broad spectrum of bacteria. It is virucidal and it will prevent the growth of mold and mildew and their odors. Use of this product will clean, disinfect and deodorize surfaces in toilet areas, underneath sinks, counters, garbage cans and other places bacterial growth can cause malodors. This product serves as an excellent non-acid bowl cleaner. Spray this ready-to-use product on non-porous surfaces allowing the product to penetrate and remain wet for 10 minutes. No scrubbing is necessary. Wipe off with a clean cloth, mop, or sponge.
