

# *Purple Power*

Purple Power is a concentrated water-based butyl cleaner/degreaser. It is environmentally pleasing due to its biodegradable surfactant system. It has the ability to penetrate, absorb, emulsify and lift away most soils found in industrial and institutional locations. Because of its low foaming properties it may be used in automatic scrubbers. Use this product to remove soils such as grease, ink, oil, dirt, gum, wax, carbon, and lipstick. It will also remove stains caused by mold and mildew.

## **FEATURES**

- \*Concentrated liquid
- \*Fast acting
- \*Acid-Free
- \*Biodegradeable
- \*Non-Corrosive
- \*Non-Caustic

## **APPLICATIONS**

- \*Degrease vehicles
- \*Clean houses
- \*Clean brick
- \*Clean engines

## **TECHNICAL DATA**

Dilution .....	Varies
DOT.....	Not regulated
Odor.....	Butyl
pH.....	12.0-13.0
Physical appearance.....	Purple liquid
