

Shinola

Shinola buffing compound is a unique blend of solvents and polymers designed to give outstanding gloss while at the same time achieving easy removal of scuffs, scratches and black heel marks. Shinola is ideal as a daily maintenance or as a quick remedy to give your floors that just refinished wet look. Solvents speed the removal of scuffs and heel marks shortening maintenance time over conventional spray buffs.

FEATURES

- *Ready to use
- *Acid-Free
- *Caustic-Free
- *Non-Toxic
- *Non-Flammable
- *Phosphate-Free

APPLICATIONS

- * Resileint Tile
- *Terrazzo
